FOUNDATION FOR SCIENCE AND TECHNOLOGY (FCT) SCHOLARSHIPS

Our Law School's 3rd Study Cycle boasts FCT PhD Programme status.

We will have eight introduction to research scholarships for the best eligible candidates, and doctoral scholarships for the five candidates who subsequently complete the first stage of the PhD Programme with the best results. This funding applies to four 3rd-cycle courses (the last being for PhD students who begin their studies at our Law School in 2017/2018).

The application procedure for the award of scholarships will take place in September 2017, immediately following the selection of candidates for 2017/2018 course, based on each candidate's curriculum. Naturally, applicants selected during the 1st phase of applications may also apply.

If you wish to apply for a scholarship, you will have to do so in accordance with the notice published on the Faculty website indicating the start of the PhD scholarship application phase. Send your application with the required documents to concurso.bolsasFCT@fd.unl.pt by the submission deadline.
