

## PROFESSOR JEREMY SARKIN AT NOVA SCHOOL OF LAW

Professor Jeremy Sarkin has just been nominated **Distinguished Research Professor in International Human Rights Law** at NOVA School of Law, Lisbon.

His academic curriculum, field experience and singularly deep knowledge of International Human Rights Law issues and in particular in the area of Transitional Justice lead me and my Faculty me to consider that a regular affiliation with FDUNL would be greatly beneficial for our students and hopefully of some interest to his own work. He has also agreed to join the Board of Scientific Advisors of our PhD programme.

We look forward to welcoming Jeremy at Nova a number of times a year to deliver lectures, to assist the PhD programme and work on research in the areas of International law, International human rights law and Transitional justice.
